

Quartely report of swerb data

David Jansen

This is the report for the 4th quarter 2022.

Contents

Swerb data	2
Depart times	2
Travel times	3
Monthly	3
Ascent and descent times	4
Observers	4
Drivers	5

Swerb data

Depart times

Average depart times from camp

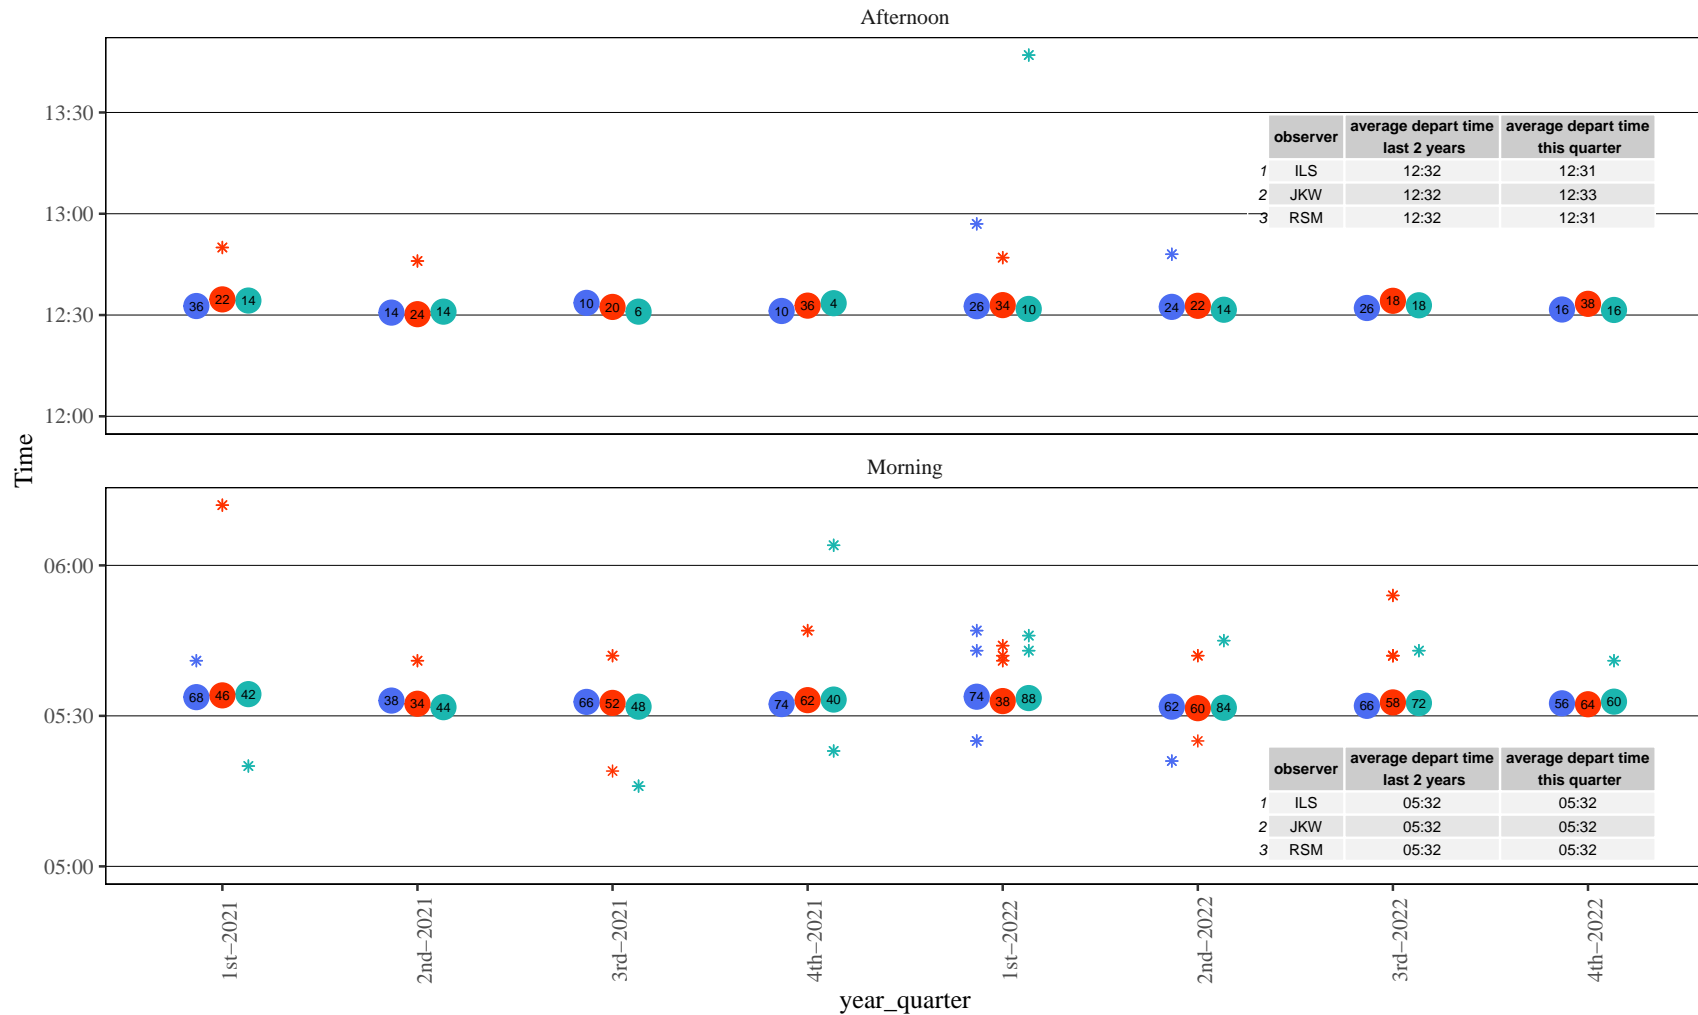

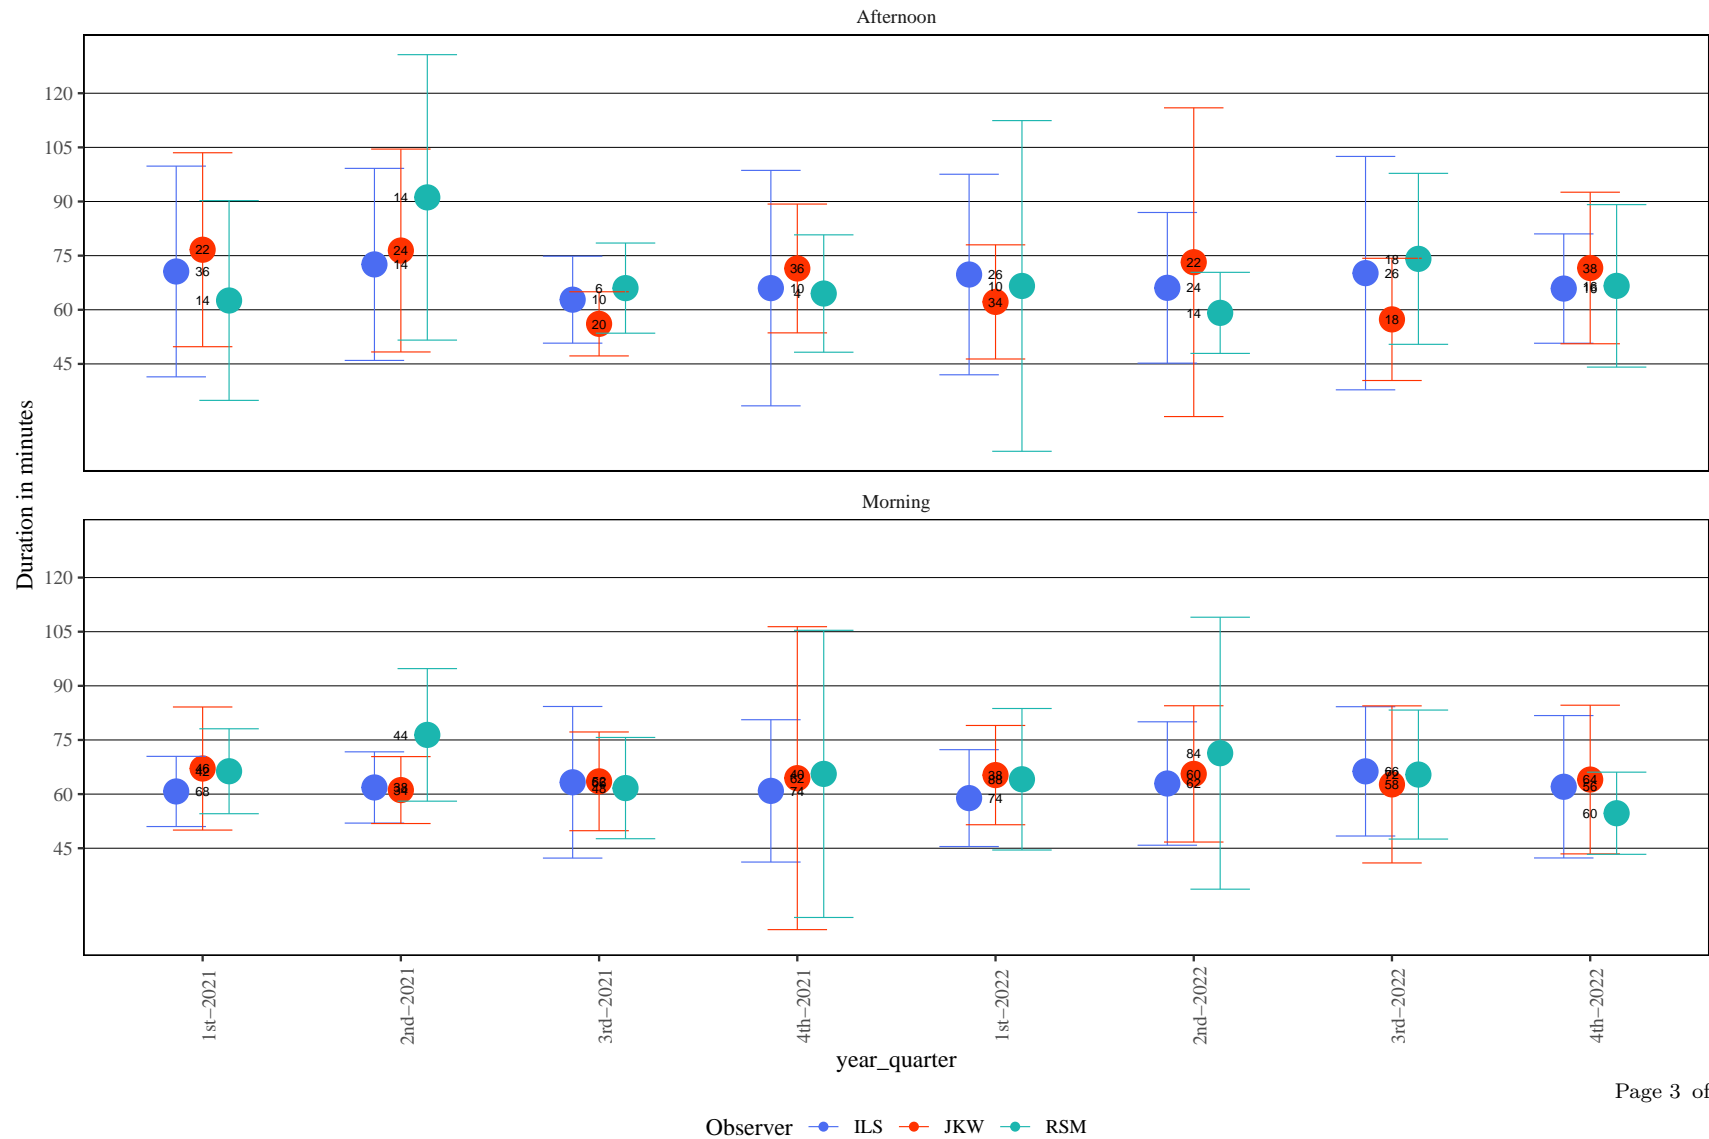

Table has the average values calculated over 2 running years as well as last quarter, dots are the mean for that quarter (numbers inside dots are the number of trips by that observer) stars are outliers (2SD away from mean)

Travel times

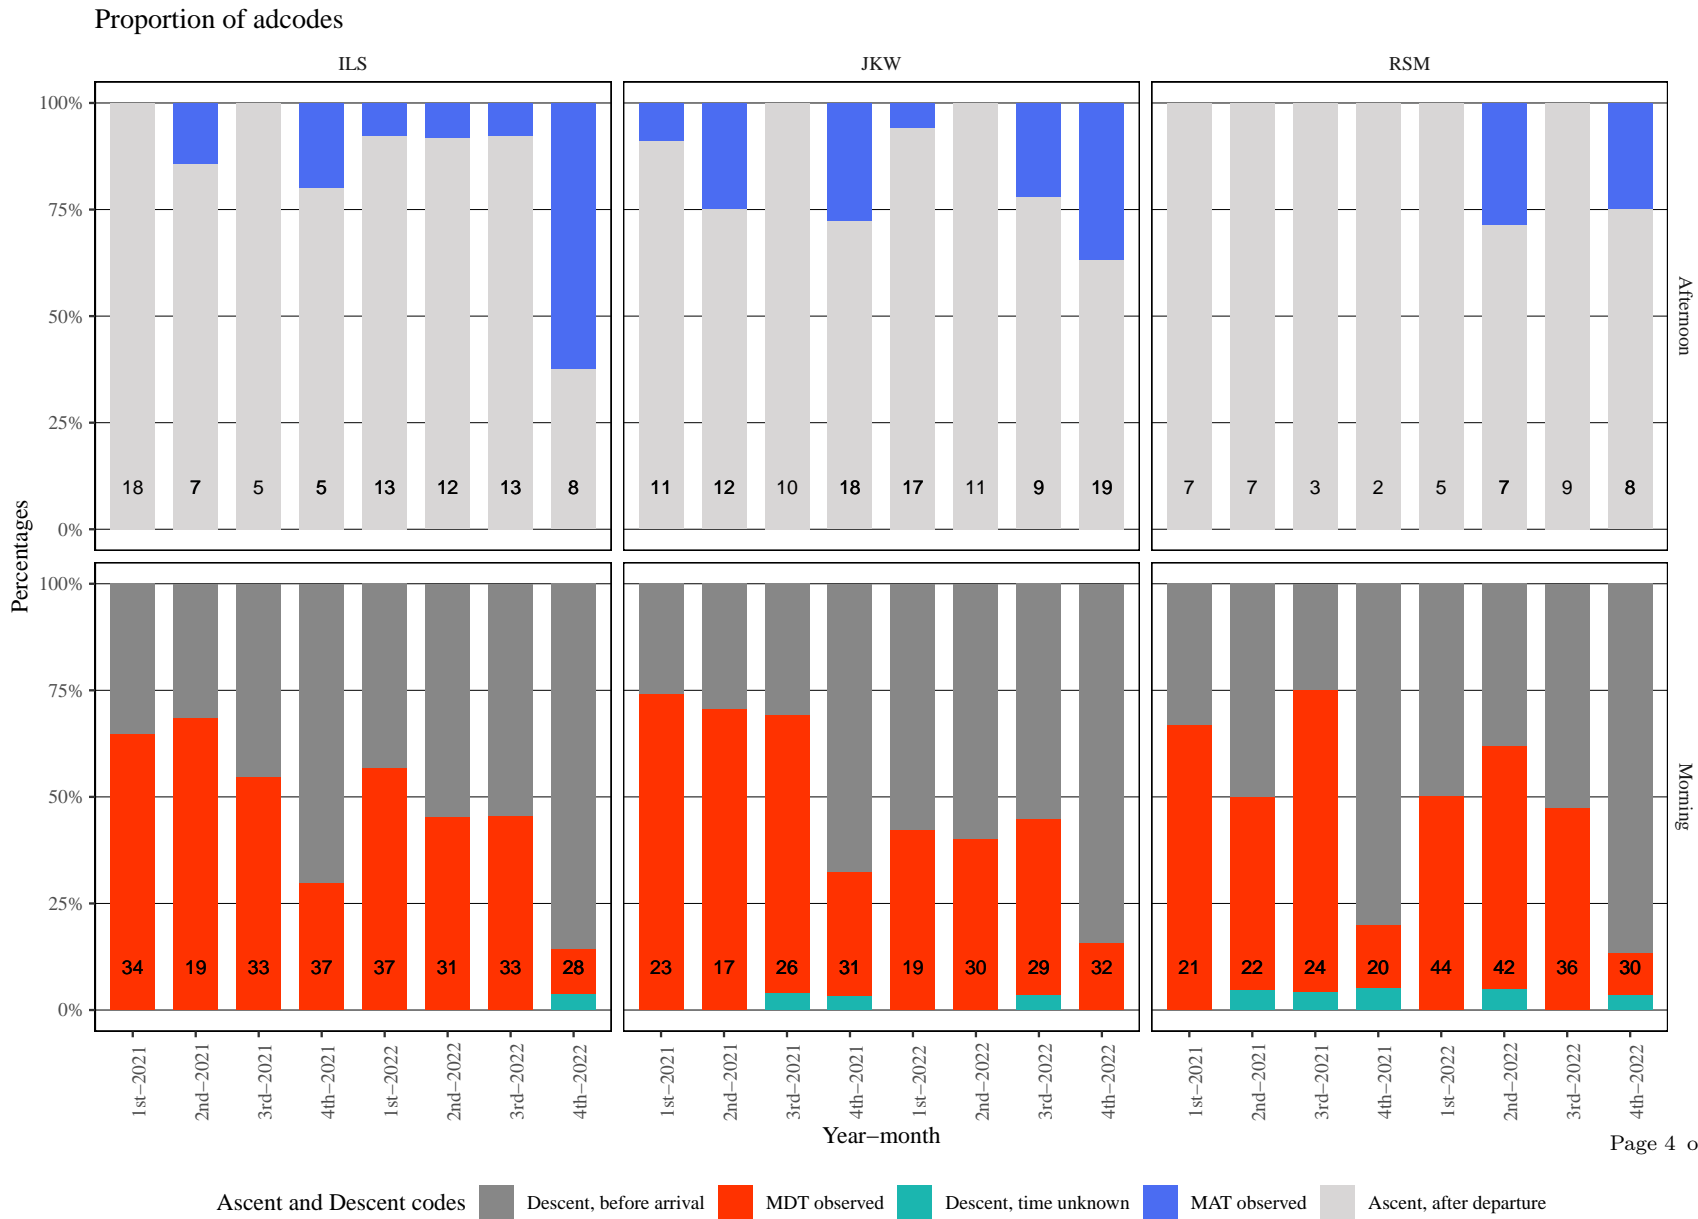

Monthly

Average travel times from camp to first group

Ascent and descent times

Observers

Drivers
